#### Mattapoisett's Summer Seaside Festival

Plans for Harbor Days 1995 Are Set

The Mattapoisett Lions Club recently finalized plans for the twelfth annual Harbor Days festival, which will once again fill the Shipyard Park and wharf areas of Mattapoisett Village on July 14, 15 and 16. The event has become an increasingly popular summer draw for all Mattapoisett residents — both past and present.

As is the tradition of the Mattapoisett Lions Club, they will once again be sponsoring an art raffle on the final day of the weekend — Sunday, July 16 at 3:30 pm — with all proceeds to benefit eye research an other Lions' Club charities. The Sunday drawing will be held at Shipyard Park for a scenic painting of the Ned's Point Lighthouse as viewed from the harbor. The painting is the creation of artist Robert Duff and was donated by the Depot Gallery.

Mr. Duff owns and operates the Depot Gallery on County Road in East Freetown and was employed by the Polaroid Company for twelve years while painting parttime. He has made painting his full-time focus since leaving work six years ago. He has had displays and shows at galleries all over New England, and many of his works are in corporate and private collections in the area.

In addition to his many other works, Mr. Duff has published ten different limited edition prints which can be found at Kennedy Studios, as well as in his own gallery.

The panoramic portrait of Ned's Point as depicted by Mr. Duff is a vibrant and colorful view of sunset on Mattapoisett Harbor, with a lone boater in the foreground steering his vessel clear of other boats anchored in the water. The combination of orange and red hues would complement any decor — and the legendary lighthouse landmark make this painting a Mattapoisett collector's item.

Raffle tickets for the painting are being sold at \$1 each, or a booklet of 3 for \$2. The tickets are now available through any Lions Club member, at Don's Tire on Route 6, at Dunn Insurance Agency on Route 6, at the Ice Cream Slip near the wharf, or at Citizens Bank, where the painting is currently on display.

Following is the pending schedule of events for the 1995 Mattapoisett Harbor Days festival:

On the cover: The first in the "Summer Sing!" series of concerts performed by the Sippican Choral Society was held on Monday, June 12 at the Congregational Church Community Center in Marion. The group performed selections from Mozart's "Solemn Vespers" under the direction of Bette Roberts. The group will next perform selections from Gilbert & Sullivan's "The Mikado" on Monday, June 26 at 7:30 pm, under the direction of Peter West. (Photo by Kenneth J. Souza.)

Mattapoisett Selectmen's Meeting June 13, 1995

Above: (l. to r.) Mattapoisett Selectman Daniel O. Mahoney, Selectman John N. DeCosta, resident and designer Peter Martin, and Selectmen Chairman Paul E. Lambalot display the new town flag which Mr. Martin designed and which was placed in the Hall of Flags at the State House in Boston this week. The Board of Selectmen presented Mr. Martin with a copy of the flag during their recent meeting. (Photo by Kenneth J. Souza).

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, June 13 at 7:00 pm by Chairman Paul E. Lambalot. Also present were Selectman John N. DeCosta, Selectman Daniel O. Mahoney, and Executive Secretary Carol J. Adams.

After approving the minutes of the June 6 meeting and signing the warrant, licenses, permits and outgoing correspondence for the week, the board signed and approved a permit to excavate the sewer main extension; approved a

Building Needs Committee Meeting.

Under outgoing correspondence, Ms. Adams noted a memo which was sent to the Police Chief regarding the installation of signs along Water Street (which would be discussed with Highway Surveyor Wesley Bowman later in the meeting), and a memo relative to speed signs in town.

Under incoming correspondence for the week, the board received:

- Notice from Safety Officer Paul Magee of a new Safety Award Certificate Program from McDonald's. The awards are designed to be given out by officers who see young people doing things like wearing bike helmets, seat belts, and any other action which deserves positive recognition. The award/certificate entitles the bearer to a free ice cream sundae at the Fairhaven McDonald's.
- Invitation to the Selectmen and their spouses to attend the Firefighter I graduation ceremony at Seaport Inn in Fairhaven on Saturday, September 16 at 6:00 pm.
- Notice from the Architectural Access Board relating to the installation of an elevator at St. Anthony's Parish Church.
- Memo from Town Accountant Joseph Bolton indicating that all payroll vouchers must be received by July 7 to close out fiscal year 1995. All written requests for encumbrances and/or carryover of articles must also be received by that date. Mr. Bolton also noted that all invoices which are to be paid within FY 1995 must be dated prior to July 1, 1995.

• Copy of the position paper from the Mattapoisett Elementary School Building Needs Committee. The committee's position is as follows: "After several months of information gathering, discussion and deliberation, the (committee) agreed to the recommendation that the (Mattapoisett) School Committee seek a special Town Meeting and Election to consider an override of \$1.2 million to fund the design and construction of four classrooms and three support spaces at Old Hammondtown School. (The committee) proposes that if, after completion of the sevenroom addition, there are any remaining funds, they be put towards some minimal, necessary improvements at Old Hammondtown School. The committee is proposing that for the immediate future, Center School will remain a school."

Selectman DeCosta noted that next week's meeting of the Building Needs Committee on June 21 is very crucial, and he urged both of his fellow board members to attend. "They are throwing around a lot of different figures, and I think we need to set a final cost for the project," he said.

At 7:15 pm the board met with the so-called Bathing Beach Advocates who managed to garner town-wide support to re-open the Bathing Beach this summer after July 1. The various members of the group stated they wanted to publicly thank the board for meeting with them and supporting their grass-roots effort. "It's sometimes difficult to get something accomplished without the backing of the town fathers," agreed resident Marilyn Kinney.

At 7:30 pm the board met with resident Peter M.

Martin, who designed the new Mattapoisett flag, to present him with a copy of the flag they had made for him. Last year the board approached Mr. Martin to design a new town flag, and he graciously donated his services. The new flag was to be presented and displayed in the Hall of Flags at the State House in Boston on Wednesday, June 14 (Flag Day). As a token of their appreciation, the board had two flags made — one of which was given to Mr. Martin.

Mr. Martin's red, white and blue design incorporates a sea shell (representing the town's sense of community); rolling swells (representing the harbor); large blue waves (representing the town's ties with Buzzards Bay); and duplicates of the whaling bark *Wanderer* (representing the town's history of shipbuilding).

Under the Executive Secretary's report, Ms. Adams asked the board if they planned to meet during the week of July 4 (which falls on a Tuesday this year). The board agreed that unless an emergency arose, there was no need to convene.

Ms. Adams also reminded the board that the summer Band Concerts are slated to begin on Wednesday, July 12, and will be held every week through August 30 at Shipyard Park.

Harbormaster Steve Mach has also asked the board about a full-size anchor which was donated to him last year, and if they had any ideas where it might be displayed. Ms. Adams said Mr. Mach was considering placing the anchor at the entrance to the wharf area, but wanted to know if the

board had any other suggestions. They agreed to meet with Mr. Mach during the week to discuss the matter in person.

Lastly, Ms. Adams informed the board that as the Personnel Board they needed to establish wages for employees at the Bathing Beach this summer. Recreation Director John Shockro recommended a rate of \$5.25/hour for the gate matron; \$7.00/hour for two lifeguards; and \$7.50/ hour for one head lifeguard. The board unanimously approved Mr. Shockro's recommendation via unanimous vote.

Ms. Adams advised the board that any swimming lessons which might be conducted at the beach will be provided for a fee, and will not be funded out of the budget as there isn't sufficient funding for this purpose. Those

interested in applying for any of the beach positions should send requests to Recreation Director John Shockro, c/o Town Hall, Mattapoisett, MA 02739. The beach will be opened with lifeguard supervision on July 1.

At 7:50 pm the board met with Highway Surveyor Wesley Bowman to discuss the proposed "no overnight parking" signs along the harbor side of Water Street (across from the Mattapoisett Inn). Mr. Bowman said he didn't think it was a good idea to have any parking along that side of the street, as it is very narrow with cars parked on both sides.

"Actually, the road should only have parking on one side," Mr. Bowman said. "If you get a car parked on both sides, two cars can just squeeze by, but a truck or trailer certainly can't make it. I think the way it's done right now has worked okay, with a limit of 15 minute parking ... I'd really like to see no parking on that side at all, but you can't do it with the businesses in that area. I'd recommend keeping the 15 minute limit signs."

Mr. Bowman said that if the signs were changed to "no overnight parking," it would invite people to park long-term during the day — some of which may be boaters who get delayed, which would result in traffic problems along Water Street. Mr. Bowman also noted it would become a serious problem during Harbor Days at Shipyard Park.

The board members agreed to wait another week on this matter so they might have time to view the traffic in the area and decide what the best solution would be for all involved. The stretch along Water Street under consideration allows parking for four to six vehicles.

There being no further matters to come before the board, they voted to adjourn for the evening at 8:20 pm.

#### Marion Selectmen's Meeting June 13, 1995

By Amelia Thrall

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, June 13 at 7:00 pm by Chairman Albert E. Winters. Also present were Selectman Loretta B. Schaefer, Selectman Jonathan "Jody" Dickerson, Executive Secretary Ray Pickles, and Secretary Helene Craver.

The board began with the signing of the weekly treasury warrant and the approval of the minutes from last

week's meeting.

Moving to the correspondence for the week, Chairman Winters explained to the board the predicament that the Buzzards Bay Action Committee (BBAC) was in. According to a letter sent to Regional Administrator John DeVillars from the BBAC, Mr. DeVillars had made arrangements for developing "'a budget that best meets the needs of the program and local government ... and there would be no broad reprogramming. The budget developed and sent to you for approval does not meet the needs of the local governments, and does constitute a broad reprogramming of the budget. If it is approved, it will mark the first time in five years that the BBAC will not receive assistance to facilitate the regional municipal implementation for Buzzards Bay."

"A portion of the budget for the program — \$400,000, as it was last year — was a direct result of a request by the BBAC to Congress for assistance primarily to the BBAC and its member municipalities. The budget recommended by the Steering Committee is inconsistent with the Congressional intent for the utilization of those funds.

"At the ... Steering Committee meeting of February 14, 1995, a recommendation to eliminate funding for the BBAC was made, and has since been voted ... it is in EPA's best interest to continue to fund the administration of the

BBAC for one last year, as it was intended by Congress."

The board agreed to send a letter to Administrator DeVillars and Trudy Coxe, the Massachusetts Secretary for Environmental Affairs, requesting that funding for the Executive Director be maintained for awhile. According to Chairman Winters, this would leave time to "come up with a plan to do it through Town Meetings."

Department of Public Works (DPW) Superintendent Robert Zora sent a letter about the bidding on road building materials and cutback asphalt. Mr. Zora recommended: "Due to the lack of bids received I would recommend that the board reject the two bids, so that we may re-advertise the project." The board unanimously agreed.

Other correspondence for the week included:

• An application for appointment to the open seat in the Marion Resource Commission.

• Notice from the Cable Television Commission of extending the time needed to make rate determinations.

• Letter from Police Chief Brian J. Scott of the successful launching of the bike patrol. Regarding the fireworks, Chief Scott made a proposal to "eliminate parking at Silvershell Beach in order to provide space for spectators who might otherwise have been in the area that has recently been reseeded."

• Commander Clyde Akins, Jr. of the Marion VFW announced the annual Marion Fourth of July Parade and invited the board to take part. The parade will kick off on Tuesday, July 4 at 8:00 am in the ball field behind the Marion Town House.

• Camp Dresser & McKee Inc. sent a Draft Wastewater Facilities Plan which will be reviewed by the Advisory Committee.

• The Army Corps of Engineers sent Executive Secretary Ray Pickles an atlas providing flooding information for use during hurricane evacuations. He said it was "a little pessimistic, but a good planning tool."

• Seventeen replies from architects were received concerning the restoration of the Music Hall. They will be reviewed in the Town Hall by the Music Hall Restoration Committee.

With no other pending matters to discuss, the board voted unanimously to adjourn the meeting at 7:25 pm.

#### Rochester Selectmen's Meeting June 12, 1995

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, June 12 at 7:00 pm by Selectman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes and Administrative Secretary Shirley A. Ferreira. Chairman Michael Murphy was not present for the meeting.

After approving the minutes of the June 5 meeting and voting to hold the approval of the June 7 meeting until Chairman Murphy returned, the board met with Ken Foley at 7:00 pm to discuss the commencement of Phase II of the Earth Removal Permit currently held by Mr. Zyskowski for property at Pine Street and Quaker Lane. Mr. Foley noted that they have nearly completed Phase I of the project and have removed about 57,000 cubic yards of material from the site for the construction of a cranberry bog. They are now ready to begin work on Phase II, which would require the removal of another 60,000 cubic yards from a 5.7 acre parcel.

"We're going to have to start Phase II before finishing Phase I," Mr. Foley said. "We're getting ready to dig out the reservoir area ... and this would cut back on stockpiling and make it easier to load

and sell the material."

Selectman Hughes noted that the town currently holds a \$9,000 bond for Phase I of the project, and they need a similar guarantee for Phase II. But Mr. Foley said he thought they could roll over the existing bond for Phase II.

"I don't have a problem rolling the bond over," Selectman Hughes said. "But I'd want to see

Phase I finished before we transfer the bond." Mr. Foley agreed the work on Phase I would be completed by that time.

As such, Selectman Hawkes moved to allow Mr. Foley to commence work on Phase II of the Zyskowski Earth Removal Permit, beginning July 1, and also moved to roll over the \$9,000 bond for Phase II. The motion was carried via majority vote. However, the board agreed to wait until next week to sign and approve the measure, as Selectman Hawkes was in opposition to Mr. Foley's continuance of hauling material on Saturday.

At 7:15 pm the board met with Nora M. Dupont of Hartley Road, one of three candidates

interested in filling a vacancy on the Planning Board. Ms. Dupont said she just recently moved to Rochester six months ago and although she didn't have a great deal of experience with Planning Board procedures, she wanted to get involved with the community. The board thanked her for coming in and for expressing interest.

The other two candidates — John Hall and Gianno Lettieri — previously met with Selectman Hawkes and Chairman Murphy on Saturday and were not present that evening. Planning Board Chairman Janice Crook came before the board and noted that it had been difficult to choose among the three applicants, but the Planning Board was recommending John Hall to fill the vacancy created by Angelo D'Attoma's resignation. The board approved the recommendation and moved to appoint Mr. Hall via majority vote.

Ms. Crook also asked the board if it might be possible to appoint the other two candidates as alternates or non-voting members. But Selectman Hughes noted that as the Planning Board members are elected, there can be no alternates or non-voting members. "That's an elected position," he said. "There's no way they can vote or participate. They can attend the meetings — since they're open meetings — but you can't appoint an alternate to an

elected position."

Under incoming correspondence for the week, the board received a request from Bonnie Hartley, Treasurer of the Rochester Center Cemetery Corporation, to approve payment of \$1,280 for the care of 128 veterans' graves. The board approved the request via majority vote.

Ms. Hartley also requested permission to have the Town Treasurer withdraw interest from several trust fund accounts held by the Town of Rochester for the Center Cemetery. The board

approved the request via majority vote.

The Buzzards Bay Action Committee (BBAC) next sent a request to the board to support continued funding for the administration of the BBAC. In the past, the BBAC has received \$60,000 in funding from the Environmental Protection Agency (EPA) to cover its administrative expenses. This year, the EPA has suggested that the BBAC be cut from their budget, with the assumption that the area municipalities which the BBAC serves could make up the shortfall.

As such, they have asked each community to write in support of continuing the \$60,000 funding for the BBAC. The board agreed via majority vote to send a letter to the EPA requesting that this funding be restored.

The board next signed and approved:

 An engagement letter/agreement with Rodrigues, Guckin and Tobojka to conduct an audit of the town for 1995 at a total cost of \$6,900. The board noted there was \$7,500 appropriated for this purpose.

The board next met with Chief Dispatcher Susan Kucinski to discuss a request to appoint three people as part-time dispatchers with the Communications Department. Ms. Kucinski recommended that Elmer Lawrence, Scott Boyd, and Patricia Knight be appointed as part-time dispatchers to be used to cover in the event of staff shortages or emergencies.

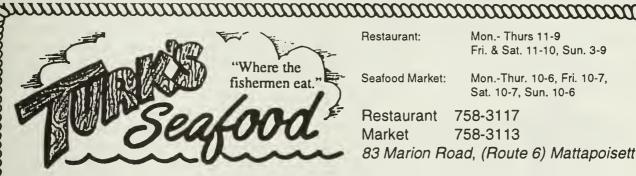

Mr. Lawrence recently retired as a full-time dispatcher and wishes to stay on in a part-time capacity. Mr. Boyd is a member of the Rochester Fire Department and has also served as a patrolman and

Selectman Hawkes noted that she knows Elmer Lawrence, but didn't know either of the other two people. As such, she would like to meet with them before making the appointments. Ms. Kucinski agreed to ask them to attend next week's Board of Selectmen meeting for this purpose.

Ms. Kucinski also informed the board that the telephone line recorder used in the Communications Center needs to be repaired and/ or replaced. Selectman Hughes said the Communications Center has \$800 in the budget for such expenses, and Ms. Kucinski should look into whatever would be best — either replacement or repair — and take the money out of that account. Ms. Ferreira advised that it would be good business practice to get three telephone bids before having the recorder replaced or repaired.

At 7:40 pm the Selectmen voted to adjourn and reconvene as the Personnel Board to discuss pending business. The first met with Conservation Agent Laurell J. Farinon, who requested that her hours with the town be increased from 16 to 20 per week to allow her to collect benefits. She is currently paid \$203.84 per week for 16 hours of work and

would be asking for an increase to \$265 per week for 20 hours (reflecting a four percent increase as approved by Town Meeting).

The board voted to approve Ms. Farinon's request, effective July 1, via majority vote. Ms. Farinon also asked that the board consider her initial date of employment as her "starting date" so that she might be able to garner some of the benefits immediately. Since she has been working for the town since December, 1993, she has not been able to garner any seniority or take any comp time. This request was also approved via majority vote.

The Personnel Board then met with Chief Dispatcher Susan Kucinski to discuss their recent decision to approve an increase in the Communications Department wages based on previous salary levels. Ms. Kucinski argued that she should be earning more as full-time Chief Dispatcher.

Selectman Hughes noted that the board voted to give everyone a four percent raise. But Selectman Hawkes argued that on January 30, 1995 the Board of Selectmen/Personnel Board voted to pay the Chief Dispatcher at a rate of \$10.50/hour and the full-time dispatchers at a rate of \$9.93/hour, which with the four percent increase would have resulted in \$10.92/hour for the Chief Dispatcher and \$10.40/hour for the full-time dispatchers.

However at a Personnel Board meeting two weeks ago, they board voted via majority vote (with Selectman Hawkes in opposition) to approve rate hikes based on the previous salary levels of dispatchers, which would set the Chief Dispatcher's rate \$10.33/hour and the full-time dispatchers rate at

\$9.83/hour. Ms. Kucinski argued that since she has taken on not only full-time status but also additional responsibilities as Chief Dispatcher, she feels she should be compensated accordingly.

And since the four percent increase was approved across-the-board by Town Meeting voters, Selectman Hawkes contended that the new rates were mandated by the town. But Selectman Hughes disagreed.

"I don't care what the townspeople voted for," he said. "We based the (rates) on what the previous dispatchers were getting ... and we added four percent to that amount."

Newly-appointed full-time dispatcher Kelly

Hartley stressed that the board should have contested the salary increase at Town Meeting. "The hourly rate was approved at Town Meeting," she said. "If the Board of Selectmen didn't want to pay this rate, it should have been brought up at that time."

But Selectman Hughes said he didn't have all the information available when the issue was raised at Town Meeting. "If this could have been handled prior to Town Meeting, we would have been better off," he said. "There was no further information provided to us at that time."

"I really don't think the dispatchers are getting overpaid," Selectman Hawkes countered.

"They deal with life and death situations everyday." And Ms. Kucinski noted that besides the Police Department, the Communications Center is the only other town department which is opened 24 hours a day, seven days a week, year-round.

Selectman Hawkes proposed to make a motion to set the Chief Dispatcher's rate at \$10.92/ hour and the full-time dispatchers' rate at \$10.40/ hour, effective July 1. But Selectman Hughes said he wanted to wait until Chairman Murphy was present to allow for a vote of the full board. With that, they agreed to meet again next week following the Board of Selectmen's meeting to vote on this matter.

There being no further matters to come before the board, they voted to adjourn for the evening at 8:15 pm.

#### Letters to the Editor

To the Editor:

This letter is written on behalf of the Mattapoisett Fire Department, Firefighters' Association, Firefighters' Auxiliary, and myself to let the townspeople know just how elated we are with the ability to order our new protective clothing, pagers, and in particular, a new Engine 4.

Tuesday's vote left all of us at the Fire Department with a new sense of encouragement and direction, as we knew the voters were facing other difficult financial decisions.

The new equipment will allow all firefighters to be outfitted with NFPA-approved protective gear, and new pagers for some firefighters to replace their worn-out units.

Engine 4, currently a 1972 Ford Farria, has been in dire need of replacement as major repairs

#### AN OFFER SELLER CAN'T REFUSE

Most people assume that the highest bidder will always get the nod from a home seller, but in many situations this is not the case. The highest bidder does not always win. A smart seller will often accept a lower offer from someone who is certain to qualify for a mortgage rather than worry about a financially shaky buyer who might not even qualify for a loan to consummate the sale.

If the market is one where homes don't stay available for even a short time at the asking price, the buyer might want to make the offer one

that will be hard to refuse. For example, sellers are very impressed if you can strike the finance contingency clause from the contract. (This is the clause that releases the buyer from the contract without losing the deposit if he cannot qualify for a mortgage.) However, do not even CONSIDER scratching the mortgage contingency clause unless you have the cash on hand to complete the transaction.

extra hard to make the silver running of this event more successful than in the past years.

The first running of the July 4 race was started with the pop of a firecracker and was guided by a lone Army truck. Last year's race included over 500 competitors, an accurately-measured five mile course, a complete list of all finishers, their place, and times, awards for many age groups and categories, and a sizable prize raffle. The 1995 race will include all of this and much more.

The July 4 Mattapoisett Road Race is ideal for both recreational and competitive runners. Some of the race's more notable past competitors include Olympian and former Boston Marathon winner Geoff Smith, Johnny "Mr. Boston Marathon" Kelly, and Liz Coughlin, the Olympic medalist in the 10,000-meter run. The registration fee for this race is \$10, and in celebration of its 25th year all competitors from the first running will compete for free if they contact Charlie Prefontaine at Seaport Pharmacy on County Road in Mattapoisett.

All proceeds from the race are contributed to a Scholarship Fund for ORR High School runners. This year's awards were given to: Jess Tallman, Revel Gilmore, Ben Taylor, Kim Mendell, and Lindsey Motta — all 1995 graduates of ORR High School.

Not Your Ordinary Auction

The Board of Directors and an enthusiastic group of volunteers are preparing for the first Marion Art Center "Not Your Ordinary Auction," to be held on Friday, July 7 at the Sippican Tennis Club in Marion.

Works from forty prominent artists and artisans from the area will be on display, starting at 6:30 pm, and the live auction will begin at 7:30 pm. Two of Marion's leading citizens, Dick Webb and Geraldo Riveira, will serve as auctioneers. Also included will be many unique services, prizes and surprises to be offered at a silent auction.

The event promises to be a fun evening with music, good food, and libations. Reservations for the Marion Art Center's "Not Your Ordinary Auction" are being accepted now. Please call the Marion Art Center at 748-1266. Tickets are only \$20 per person in advance (\$25 at the door), and there is a limit of 150 seats.

"Dear Liar"

"Dear Liar," a reading by Dagmar Unhoch and Richard Webb adapted from the correspondence of George Bernard Shaw and Mrs. Patrick Campbell, will be presented at the Marion Art Center during the last week of July (exact times are to be announced).

Institute of Chicago, Pratt Institute and the Art Students League of New York.

In 1976, the Bicentennial celebration brought "Operation Sail" to New York and Mr. Bond, as a night Pier Master at South Street Seaport, found himself occupying a ring side seat. "I had always loved ships, but watching the ships from all over the world ... turned rne around," he said. "Ships and the sea have always been my repertoire ... but not like this!"

His first subjects were square-riggers, but he soon moved on to the more personally inspirational ocean racers that have become his trademark. There

is something about the movement, the power and the speed in his work which captures the action familiar to all sailors. Mr. Bond delivers these moments in "At the Mark," "Running Home," and "First Around," to name just a few.

Jack Gordon works in his own studio in Skaneateles, NY, specializing in models of smaller craft, working and pleasure, sail and power. From weather-beaten rowboats to varnished raceboats, from the boats you grew up with to the boats you wished you had owned — all are the products of Frog Pond boat models. All Mr. Gordon's pieces are hand-crafted from white pine and mahogany and are developed from plans of the actual boats. The models are finished with varnish and often enhanced with a "weathered" finish evoking the actual use and history of the craft. Custom cases are also available.

The Nautical Show is on display in the Cecil Clark Davis Gallery at the Marion Art Center. Paintings and prints by artist members of the MAC are featured in the Patsy Francis Gallery, which has recently been improved with new lighting and air conditioning. All work is for sale. Both galleries are open to the public Tuesday through Friday, 1:00 to 5:00 pm, and Saturday 10:00 am to 2:00 pm. Admission is FREE.

The "award" entitles the bearer to a FREE ice cream sundae at the Fairhaven McDonald's.

According to Mattapoisett Safety Officer Paul Magee, these awards will be distributed to all department officers and should provide a great tool in encouraging young people to go about their summer activities in a safe way. "It seems that many people feel all the police do is give out tickets and arrest people," Officer Magee said. "This will be a great opportunity for us to show that we not only enforce laws, but that we reward people who obey them."

#### Chamber Players at Music Hall

"Flute and the Art of Improvisation" will come to the Marion Music Hall during the week of July 12 - 15. Flutists will gather from all over New England for an innovative workshop celebrating improvisation through the ages at the historic Music Hall. It will be sponsored by the Odyssey Chamber Players and the Boston Jazz Flute Ensemble, in collaboration with the Greater Boston Flute Association and the Marion Cultural Council.

The workshop will attract a full range of flutists: local junior and high school students, amateurs, conservatory graduates, and professionals. Flutists of all ages and backgrounds are welcome. Music educators will find this program of particular interest, and they may attend all or selected sessions as part of their Professional Development Program Recertification. Guest Clinicians will include the legendary improvisation specialist John LaPorta and arranger Jerry Cecco.

Scheduled for July 12 through July 15, the workshop will be led by Matt Marvuglio, flutist and chairman of the Woodwind Department at the Berklee College of Music, and Marion resident Wendy Rolfe, DMA, Associate Professor of Flute at Berklee. Faculty experts will include Rochester resident William Thompson, also of the Berklee faculty who has performed with Dizzy Gillespie and Aretha Franklin.

The instructional sessions will run from 9:30 until 4:00 July 12 through July 14, and will include elementary to advanced theory, extensive flute ensemble work, flute technique, and guest clinicians. Styles of improvisation will range from swing, blues and jazz to Baroque. Participants will expand the bounds of their own creativity, and will work towards a final public Family Concert at the Marion Music Hall at 5:00 pm on Saturday, July 15. Participants and music educators will work with guest clinician John LaPorta in beginning to advanced improvisation sessions, and Jerry Cecco will discuss and demonstrate arranging jazz standards for flute ensemble.

Culminating the study sessions will be two JAZZfest concerts which the public is encouraged to attend. The participants will perform at the Marion Music Hall at 5:00 pm on Saturday, July 15 in a concert planned to excite young people and their families. This will be followed by an 8:00 pm Gala JAZZfest Concert featuring the Boston Jazz Flute Ensemble with guest rhythm section. The concert will feature many of the most popular jazz and swing standards dressed up for summer's seaside atmosphere.

#### **BBP Increases Grant Funds**

To better target and more efficiently use public funds, the Buzzards Bay Project National Estuary Program will be increasing grants to municipalities around Buzzards Bay while reducing funding for personnel. Although most staff will remain, personnel budgets will be reduced at the Buzzards Bay Project (BBP) and two non-profits funded by the BBP in the past.

According to Peg Brady, Director of the Massachusetts Coastal Zone Management, and chair of the committee that oversees the finances of the BBP: "To make budget dollars stretch further, we were examining ways that the BBP, and other funded organizations, could be streamlined while maintaining a high level of support to Buzzards Bay

municipalities."

The Buzzards Bay Project is an advisory and planning unit jointly funded by the Massachusetts Coastal Zone Management Office and the United States Environmental Protection Agency (EPA). The Project, in cooperation with the Buzzards Bay Action Committee (BBAC) and the Coalition for Buzzards Bay (CBB), produced the Comprehensive Conservation and Management Plan approved by Governor William Weld in 1991 to protect and restore Buzzards Bay.

The two non-profit organizations that are also affected by reduced funding for staff are the Coalition for Buzzards Bay (the citizens' group most widely recognized for its "Report Card" on Buzzards Bay municipalities) and the Buzzards Bay Action Committee (a municipal lobbying group). All three organizations have been working together during the past several years to implement the Buzzards Bay Comprehensive Conservation and Management Plan.

According to BBP Executive Director Joe Costa, new funding levels will not affect the goals of the Project. "We remain committed to working with the BBAC and CBB in our mutual goal of implementing the Buzzards Bay Management Plan," he said. "We plan to work harder than ever to bring in more state and federal funding to help communities in the watershed protect and restore

their part of the bay."

The Coalition's Executive Director, Mimi

McConnell, noted: "We appreciate funding we've been receiving through the BBP for our local government monitoring and our water quality monitoring programs — but we realized months ago that funding was getting tighter and therefore proposed in January that the Coalition assume all responsibility for our local government efforts headed by Mark Rasmussen. This is in the spirit of freeing up more funds to be put to work directly by local communities to clean up the bay." The Coalition will also look for funds elsewhere in the future for its water quality work headed by Eileen

Mattapoisett Seniors Mini-Fair

The Mattapoisett Seniors' Club is continuing to work on plans for its only fundraiser of the year — a Mini-Fair, which will be held on August 12 from 9:00 am to 2:00 pm in St. Anthony's Church Hall.

Members and friends who wish to donate items for a Flea Market may call Manny Freitas at 758-4337 or Ms. Norma Jones, President, at 758-6574 about pick-ups.

In addition to the Flea Market, other highlights of the event will include a food table, coffee an', a silent auction, and a plant and vegetable table. Books and magazines will also be sold.

The club's monthly meetings for the season will end June 8 when members and friends will be entertained at 1:30 pm by the Old Hammondtown School Jazz Band under the direction of Stan Ellis.

After the musical fiesta, Ms. Jones will preside at a meeting. A social hour will follow.

Mattapoisett Birthday Calendars

The Mattapoisett Firefighters Association will be producing a 1996 Mattapoisett Birthday Calendar. Association members should be contacting you shortly to solicit calendar purchases and listings of your family and friends' birth dates.

For those unfamiliar with the project, the calendar is the same which until 1994 had been produced by the Mattapoisett Woman's Club. The calendar lists birth dates and anniversaries for each day of the year.

The calendars cost \$5 each, which includes two listings. Additional listings can be purchased for 50 cents each.

6 County Road Mattapoisett, MA

Priscilla at 758-2896.

In the Lost and Found department this week: lost from the Ridgewood Road area — a small tortoise shell (brown gold and orange with short hair). She is friendly but timid and answers to the name "Munchkin." Found on Lebaron Way — a calico. Found on Main Street in Mattapoisett — an angora light-colored cat wearing a brown flea collar.

In order to claim these animals or provide information about the missing, please call Mary Lou

at 994-6168 or Priscilla at 758-9202.

Also lost: a long-haired light cinnamon colored mid-sized male cat, eight years old with white markings on face, chest and paws. He has been missing since May 20 in the Holly Lane/Ned's Point area of Mattapoisett. He is a very friendly cat named "Cinnamon." Please call 758-9412 if found.

For our dog lovers this week: "Sabrina" is looking for a loving home with a lot of time to devote to her. She is a three-year-old, eight and a half pound spayed female mini-pinscher. She was hit by a car in April and her owners did not want her anymore. The person caring for her has paid for all the necessary surgery and she is 100 percent healthy. She is up to date on all her shots and heartworm vaccinations. She is timid around children ... but if you want great company, she is an absolute love. If interested, please call Tara at 748-2164.

We also hope you will consider the Fairhaven Animal Shelter if you are looking for a new pet dog. There are four currently waiting to be adopted, including: a two-year-old German shepherd female; a three-month-old Collie shepherd puppy; a sixty-pound tan terrier; and a "middle-aged" non-neutered beagle. Please call 979-4028 if you can provide any of these pets with a good home.

The Wanderer would like to remind private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change of living arrangements, new babies, or the like. We'll also gladly help you locate any

School Calendar Update

Tuesday, June 20, is the last day of school for all students in the afternoon session of Kindergarten. There is no afternoon session of Kindergarten on Wednesday, June 21, as this is an early dismissal day. All students in the afternoon session of Kindergarten will receive their report cards prior to leaving school on June 20.

Wednesday, June 21 is the last day of school for students in the morning session of Kindergarten and Grades 1 - 3. The last day of school is also an Early Dismissal Day. On this last day of school, all students attending the morning session of Kindergarten will be dismissed at 10:45 am. All other students in Grades 1 - 3 will be dismissed at 12:20 pm. Lunches will be served, as usual, prior to dismissal for students in Grades 1 - 3. All students in the morning session of Kindergarten and Grades 1 -3 will receive their final report cards prior to dismissal on June 21.

The first day of school for the 1995-1996 school year for students in Grades 1 - 3 is Wednesday, September 6.

Mattapoisett PTA

The final meeting of the Mattapoisett PTA for the 1994-1995 school year was held on Tuesday, June 6. The following slate of officers for the 1995-1996 school year was presented: Co-Presidents — Lois Sager and Melissa Rocha; Vice President — Donna Bernier; Treasurer — Ling Ling Chang; Secretary — Sandie Boivin; Corresponding Secretary — Debbie Jones.

Third Grade Musical

The Third Grade at Center School will be having its annual Musical Performance on Tuesday, June 20, according to the following schedule: 1:30 pm — In-school performance for students; 7:00 pm Evening performance for parents.

This year the third grade will be putting on the musical play "Readin', 'Ritin' and Rockin'." The students are working very hard on this production, and the school is confident everyone will enjoy this

performance.

Parents are welcome to attend either of the performances, but seating is limited in the auditorium for the in-school performance.

respectively. All students felt the program and the employers have helped connect classroom learning to the realities and rewards of the workplace.

The School-to-Work Program, a mandated statewide funded program, is allowing all students an opportunity to "intern" in a field of work or career that might hold potential interest for future career plans. All students who would like to "test drive" a career option for planning work or college goals should contact Sandra Fleet, the School-to-Work Coordinator at the high school, at 758-3745. This is an elective subject that carries credit for class work along with out-of-school business contact. *American Field Service* 

The ORR American Field Service (AFS) would like to place foreign students in homes in ORR communities for the 1995-1996 academic year. Students placed by the AFS make a positive contribution to ORR High School, their communities, and their hosting families.

AFS students arrive in late summer and leave at the end of June of the following year. Host families provide housing, food, and friendship. The student and the host family are supported by the ORR Chapter of the AFS, as well as the organization's local and national network.

boat ramp at the wharf, you will need a 1995 Boat Sticker for your dinghy. They are now available at the Town Clerk's office for \$20.

#### Compost Bins Still Available

Compost bins are still available for purchase at the Mattapoisett Board of Health office (758-4112). Bins are on sale at the very reduced price of \$20, thanks to a Massachusetts Department of Environmental Protection (DEP) grant awarded to the town.

Both types of compost bins are on display outside the Board of Health office on the second floor of Town Hall, along with brochures about composting. Both are rodent-resistant, have openings for efficient aerobic composting and can be easily-assembled without tools. They differ primarily in appearance and capacity: the more compact Earth Machine is better suited to small urban lots, while the Brave New Composter can handle larger volumes of yard waste.
